Langton Green Community Farm
Langton Green Happenings

November 2018

Thanksgiving Time

Many thanks--to the funders that came through for us this month. The Davidsonville Ruritans donated money for a recycling workshop and Constellation's Community Champion's Award provided farm recycling wages. The WAWA Foundation donated funds toward farm wages and packaging. The Glen Burnie Civitans funded a grain drill. The Anne Arundel County Development Commission provided free airline tickets for trainings. The Southern Maryland Agricultural Development Commission provided a grant for blueberry plants.

Eat Healthy Be Happy

In October our group had fun playing games to review the difference between healthy and unhealthy snacks. Who knew?...cauliflower detoxifies the body and broccoli reduces stress.

Advocator's Group

The Advocator's Group continued to make their voices heard discussing their expectations in regard to staff and the important difference between service and support. Residents prefer to be "supported". At Langton Green our individuals want to be empowered to live as fully as possible.

Ways to Give

Leaves Falling?

Contact Langton Green at farminfo.org. We can supply a team to help. Reasonable rates apply all year long for cleanup and landscaping services for residential areas.

We are getting a new website! In the meantime, if you would like to volunteer please contact farminfo@langtongreen.org. If you would like to donate please give us a call at 410-263-3225.
